This document was executed by the defendant, his attorney, and the attorney representing the State, and then filed with the papers of the case. The defendant then came before me and I approved the above and the defendant entered a plea of guilty. After I admonished the defendant of the consequences of his plea, I ascertained that he entered it knowingly and voluntarily after discussing the case with his attorney. It appears that the defendant is mentally competent and the plea is free and voluntary. I find that the defendant's attorney is competent and has effectively represented the defendant in this case. I informed the defendant that I would not exceed the agreed recommendation as to punishment.
